HOW TO FIND WHAT YOU ARE LOOKING FOR?

While your browser is in the <http://inproperinla.com/> page:

- 1) In most browsers, just hit **Control+F**, and a pop up box will appear for searching.
- 2) Enter a key word, e.g. "Fine" for records pertaining to Att Richard I Fine, or "Connor" for records pertaining to Judge Jacqueline A Connor.
- 3) Then scroll down and view the hits.

Attempt is made to have all records posted here also OCR processed, so that the same procedure works also within the record itself, in Adobe Reader or similar pdf readers.
